LIVESTOCK RULES

Cattle and Entry Information: *For online entries-see the link on the website*****

- **All cattle must have a valid health certificate.** Health papers will be checked. There will be a GA Dept. of Agriculture official present to check animals upon unloading. It is strongly recommended that each animal be vaccinated. Animals must have a legible tattoo.
- **Arrive with your livestock on date and check-in times listed. For emergencies call Gwinnett County Fairgrounds 770-963-6522 Gary Farmer 706-207-8539 or Kelly Parham 770-309-5533.**

Shows offered: Angus, Charolais, Chi-Influence, Commercial Dairy Heifers, Commercial Beef Heifers, Fleckvieh, Hereford, Red Angus, Santa Gertrudis, Other Registered Breeds, Shorthorn, Simmental, Simmental Percentage and Steer. All animals must be registered with their association except commercial heifers, dairy heifers, and steers. A registered animal may only show in either the breed show or the commercial show not both. No registered percentage will be shown with purebred, ex: Balancer, Appendix, Shorthorn Plus. The Show committee will inspect registration certificates.

A minimum of 7 head of cattle will constitute a show based on the entries at the deadline. If a show does not meet requirements exhibitors will be notified.

Junior entries must be registered in the junior's name. The fair reserves the right to change, combine or delete classes or breed shows offered depending on entries.

Junior/Open Show combined. Junior and Open exhibitors will show in the same show. Juniors showing in open and junior are required to **pay two entry fees. Junior Exhibitor is defined as not completed 12th grade in school.** Juniors must show their own animal in class unless two animals are in the same class and another junior may be that showperson. No adult can accompany junior exhibitors in the ring. Junior exhibitors that cannot handle their animal will be dismissed from the ring. Junior entries must be in the junior's name not in farm name.

****All beef exhibitors must be 9 years old before January 1, 2025 to show in the 2024 show.** A Peewee class will be offered each night immediately following showmanship. There will be no entry fee and only ribbons will be awarded. Each exhibitor must be accompanied by an adult.

Entry fee - \$15 per animal for Junior show AND \$15 for Open show. These fees must be paid upon submission of entries. ONLINE ENTRIES ARE PREFERRED *See the website for a link to online entries-www.gwinnettcountyfair.com. Online entries must be submitted by Sunday, September 1st.** If it is necessary to send a paper entry, please contact us at livestock@gwinnettcountyfair.com for entry forms. Late entries not submitted by this date must be approved by Livestock Committee.

*****All premiums will be paid in cash. Exhibitors will receive a voucher with their ribbon in the ring. Make sure you receive the correct voucher before leaving ringside. Vouchers must be brought to the window at the livestock office by the end of the fair.*****

All animals are required to stay on premises until after the completion of show. Animals must be tied out at night. Tie out time is 8:00 p.m. If animals remain in the barn, a person must be present with the animals until the fairground closes that night to keep the bed area clean. Bedding will be provided in the barn. No straw allowed in barn. Each exhibitor must furnish their own feed and care for animals. **Beds and area must be cleaned by 9:00 a.m. the following morning of stay at fair. No dogs are allowed in the barn including service dogs.**

Blocking chutes will be allowed in specific areas only. All blocking chutes must be kept inside big arena. No chutes in the isles of the barn. Curtains allowed over display area only. No curtains allowed over cattle. Only signs will be allowed. Tack area assigned on arrival. **No butt fans allowed.**

Commercial Beef Heifers, Steers, and Commercial Dairy Heifers will be shown by weight. Steer must have been born after August 1, 2022. **Steer, Commercial Heifer, Commercial Dairy Show is only for Juniors (4-H & FFA).** Classes for Commercial Heifers and Steers will be divided after weigh in. Commercial Dairy Heifers must weigh 100 lbs and not over 1250 lbs to be eligible to show. All Commercial Dairy Heifers and Steers must be dehorned and healed. Commercial Dairy Heifers must be born between March 1st and August 1, 2023.

Herdsmen Award: Competition will be judged on animals displayed for public viewing. Stall cards, displays and manure kept in appropriate containers will count toward award. **If there are no deserving awards no plaques will be distributed.** This award will be mailed upon completion of the fair.

A photographer will be on site daily for photos. More information is available on our website.

HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK IN GEORGIA

GENERAL REQUIREMENTS:

All livestock exhibitions must apply to the Department of Agriculture for an exhibition permit. The management of the exhibition is responsible for obtaining the permit. For information call (404) 656-3667. No livestock will be allowed entry onto the show grounds without the proper health records and tests required.

A veterinarian, Georgia Department of Agriculture personnel or other qualified person may be present to examine all livestock prior to exhibition.

An official Certificate of Veterinary Inspection must show proof of the requirements for the appropriate species.

CERTIFICATE OF VETERINARY INSPECTION REQUIREMENTS:

All animals being exhibited in any type of livestock show (local, county, area, district, or state) must have an official certificate of veterinary inspection (health certificate). The certificate of veterinary inspection must be issued within 30 days of the exhibition with the following exceptions:

Certificate of Veterinary Inspection exceptions will be the following:

1. For Georgia cattle, swine, goats and exotic animals exhibiting in Georgia 4-H and FFA shows, the certificate of veterinary inspection and required tests shall be valid for 4 months (or less if specified by show management).
2. For Georgia sheep exhibiting in Georgia 4-H and FFA shows, a certificate of veterinary inspection must be issued by a veterinarian and must be updated and signed every 30 days during the show season (up to 4 months) by a veterinarian, county extension agent, or vocational agriculture teacher. The examiner must sign and record the following statement on the certificate: "To the best of my knowledge, the animals being exhibited are free from any clinical signs consistent with those of foot rot, scabies, contagious ecthyma (sore mouth), cutaneous fungal lesions, scrapie or any other infectious or contagious disease."
3. Market swine and market cattle will not require a certificate of veterinary inspection or any testing provided no breeding livestock are on the exhibition premises. Market lambs and market goats will require a certificate of veterinary inspection and individual identification as outlined in the section below entitled "Farm Animal Livestock Requirements". Sheep and goat wethers of any age are not required to be individually identified for exhibition. In addition, all market animals must either be consigned directly to slaughter with no animals from the show ground returning to a farm or be consigned to another market show with confinement at the original show facility until movement. If market animals will be returning to a farm or if show management requires such, all animals on the show grounds must have proper certificates of veterinary inspection and must satisfy the appropriate test and identification requirements described below in the section "Farm Animal Livestock Requirements".

FARM ANIMAL LIVESTOCK REQUIREMENTS:

I. CATTLE

A. Brucellosis:

1. Georgia cattle have no brucellosis test requirements.
2. Out-of-state cattle must satisfy Georgia import requirements for brucellosis. (Regulations are contingent on state of origin - call (404) 656-3667 for current regulations).

B. Tuberculosis:

1. Georgia cattle have no tuberculosis test requirements.
2. Out-of-state must satisfy Georgia import requirements for tuberculosis. (Regulations are contingent on state of origin - call (404) 656-3667 for current regulations).

C. **Cattle from Missouri, South Dakota and Texas** must have an entry permit number from the Department of Agriculture (Call (404) 656-3667 Monday through Friday 8:00 am - 4:30 pm).

II. SWINE

A. Georgia swine:

1. All breeding swine 4 months of age and over must have a negative brucellosis and a negative pseudorabies test within 30 days of exhibition except:
 - a. Swine originating from a validated brucellosis free herd and a qualified pseudorabies free herd. Validation and qualification numbers and date of last test conducted must be recorded on the certificate of veterinary inspection.
2. Market swine:
 - a. Gilts must have a negative brucellosis and a negative pseudorabies test within 30 days of exhibition unless originating from a validated brucellosis free herd and a qualified pseudorabies free herd. Validation and qualification numbers and date of the last herd test must be recorded on the certificate of veterinary inspection.
 - b. Barrows must have a negative pseudorabies test within 30 days of exhibition unless originating from a qualified pseudorabies free herd. Qualification number and date of the last herd test must be recorded on the certificate of veterinary inspection.
 - c. Slaughter swine may be exempt from the certificate of veterinary inspection and the test requirements if they qualify under the "Certificate of Veterinary Inspection Exceptions" section described above.

B. Out-of-state swine must enter on a certificate of veterinary inspection issued within 30 days of entry with the entry permit number and individual identification recorded. Test requirements for breeding swine and market swine are the same as "Georgia swine" requirements above. Note: Swine purchased and/or removed from the farm of a validated/qualified herd loses validated/qualified status at the time of transfer and will require the appropriate tests prior to exhibition.

C. Any exhibition of out-of-state swine must have an entry permit number from the Department of Agriculture. (Call (404) 656-3667 Monday through Friday 8:00 am - 4:30 pm).

III. SHEEP

- A. Georgia and out-of-state sheep must enter on a certificate of veterinary inspection issued within 30 days of the exhibition. All sheep, except wethers, must be identified with USDA approved individual animal identification to the flock of origin. Those sheep born after 1-1-2024 must be identified to the flock of birth and flock of origin if different. This information must be recorded on the certificate of veterinary inspection. The following statement must be recorded on the certificate of veterinary inspection for all sheep including wethers: "To the best of my knowledge, the animals being exhibited are free from any clinical signs consistent with those of foot rot, scabies, contagious ecthyma (sore mouth), cutaneous fungal lesions, scrapie or any other infectious or contagious disease."
- B. For Georgia 4-H and FFA sheep, see CERTIFICATE OF VETERINARY INSPECTION REQUIREMENTS above.
- C. Sheep may be inspected at the show facility for infectious and contagious diseases and those suspected of having disease will be removed from the show facility.

IV. GOATS

- A. Georgia and out-of-state goats must enter on a certificate of veterinary inspection issued within 30 days of the exhibition. All goats, except wethers, must be identified with USDA approved individual animal identification to the flock of origin. Those goats born after 1-1-2024 must be identified to the flock of birth and flock of origin if different. This information must be recorded on the certificate of veterinary inspection. The following statement must be recorded on the certificate of veterinary inspection for all goats including wethers: "To the best of my knowledge, the animals being exhibited are free from any clinical signs consistent with those of foot rot, scabies, contagious ecthyma (sore mouth), cutaneous fungal lesions, scrapie or any other infectious or contagious disease."
- B. For Georgia 4-H and FFA goats, see CERTIFICATE OF VETERINARY INSPECTION REQUIREMENTS above.
- C. Goats may be inspected at the show facility for infectious and contagious diseases and those suspected of having disease will be removed from the show facility.
